

Table of Contents

Acknowledgements.....	vi
Introduction.....	vii
Chapter 1 Overview and Background.....	1
Overview of the Key DNMS Protocols & Procedures.....	1
Taking a History.....	2
The Resource Development Protocol.....	2
The Switching the Dominance Protocol	2
The Attachment Needs Ladder Questionnaire	3
The Conference Room Protocol.....	3
The Needs Meeting Protocol	4
Follow-up and Repeat the Process	4
DNMS Limitations.....	4
Background Material	5
Developmental Stages.....	5
Hierarchy of Needs	5
Ego State Theory	8
Wounded Ego States Formed by the Firing of Mirror Neurons	9
Healing by Neural Integration	11
Alternating Bilateral Stimulation (ABS)	12
How Long Does DNMS Therapy Take?.....	14
Chapter Summary	14
Chapter 1 Notes and References.....	14
Chapter 2 Ego State Therapy Basics.....	17
Ego State Therapy Background.....	17
Working with Ego States.....	18
Executive Control & Recognizing Ego States in Clients	18
Talking to Individual Parts of Self.....	18
Differing Points of View & Internal Conflicts	19
Tucking In.....	20
System-Wide Announcement.....	21
DNMS Ego State Classifications	21
Reactive Parts.....	21
Introjects.....	23
Reactive Parts and Introjects Interact	26
What Happened in Childhood.....	26
What Happens in Adulthood.....	27
The True Source of a Current Problem.....	27
Healing Wounded Parts of Self	28
Healing Maladaptive Introjects	28
Healing Reactive Parts.....	29
The Benefits of Healing Wounded Parts of Self.....	29
Trauma-Related Introjects	30
Unmet Needs before a Trauma Happens	30
Unmet Needs during a Trauma.....	31
Unmet Needs after a Trauma Happens	31
Identifying Trauma-Related Introjects for Processing.....	31
Other Information about Reactive Parts and Introjects	32
A Part of Self Can Appear as a Metaphor.....	32
What is a <i>Role Model?</i>	32
Introject Mask versus Introject Costume	33
Combination Introjects	33
Adulthood Role Models Can Be Introjected	33
Groups of People Can Be Introjected	34

Observed Victims Can Be Introjected	34
Prenatal Introjection.....	34
Ego State Therapy Controversy	35
Chapter Summary	35
Chapter 2 Notes and References	35

Chapter 3 The Resource Development Protocol.....37

Protocol Overview	37
The Nurturing Adult Self and Protective Adult Self.....	38
Discussing Familiar Caregiving Experiences	38
Connecting to the Nurturing and Protective Adult Self.....	40
Mental Pictures of the Nurturing and Protective Adult Self.....	42
The Spiritual Core Self.....	42
Discussing Spiritual Beliefs & Peak Spiritual Experiences.....	43
Connecting to the Spiritual Core Self	43
Strengthening the Spiritual Core Self.....	44
Mental Picture of the Spiritual Core Self.....	45
The Healing Circle of Resources	45
Complications and Processing Blocks	46
Preparing Clients to Disclose Processing Blocks	47
Checking for Blocks before Beginning a Meditation	47
Describing Up Front the Switching the Dominance Protocol to Clear Blocks	47
Cloning the Resources.....	47
A Typical Resource Development Protocol Session	48
Chapter Summary	55
Chapter 3 Notes and References	55

Chapter 4 The Switching the Dominance Protocol.....56

Protocol Overview	56
Switching the Dominance to Treat a Simple Problem	57
Asking About the Client's Experience.....	57
Connecting to Resources	58
Inviting Parts of Self Forward	58
Classifying a Part that Comes Forward	59
When a Reactive Part Appears Keep Looking for the Presumptive Introject	59
Collecting Information about a Presumptive Introject	61
Getting and Rating the Presumptive Introject Message.....	61
Switching the Dominance Protocol.....	62
Step 1: Permission to Speak to Child Part Behind the Mask.....	62
Step 2: Welcoming the Child Part Behind the Mask.....	62
Step 3: Contrasting the True Nature of the Child with the Dysfunction of the Mask.....	63
Step 4: Getting the Child Part's Age	64
Step 5: Explaining the Illusion of Significance	64
Step 6: Checking on the Appearance of the Mask.....	64
Step 7: Mini-Interventions Help Shift Dominance.....	65
Step 8: Assessing the Mask's Animation	67
Step 9: Highlighting the Child Part's Importance	67
Step 10: Pocketing the Remains	67
Step 11: Orienting the Child Part and Tucking In	68
Step 12: Temporary Nature of the Shift	69
Switching the Dominance to Treat a Simple Problem – Follow-up.....	69
Other Protocol Issues	69
Do Not Assault the Mask.....	69
Working with Two or More Introjects at Once	70
More than One Part of Self is Wearing an Introject Mask or Costume	70
The Mask Disappears	70
Re-Switching the Dominance	70
Incomplete Switch	71
Complications and Processing Blocks	71
Two Switching the Dominance Protocol Sessions.....	71
Example of a Simple Switching the Dominance Experience	72
Example of a Complex Switching the Dominance Experience.....	75
Chapter Summary	82
Chapter 4 Notes.....	82

Chapter 5 The Conference Room Protocol	83
Overview.....	83
Finding Negative Beliefs Associated with a Specific Current Problem	84
Finding Negative Beliefs Associated with Old Attachment Wounds	84
The Attachment Needs Ladder.....	84
Administering the Attachment Needs Ladder.....	86
Conference Room Protocol.....	88
Providing the Client a Big Picture Overview	88
Step 1: Preparing the Client the First Time.....	88
Step 2: Recording Information on the Conference Room Map.....	90
Step 3: Connecting to Resources.....	90
Step 4: Picturing the Conference Room.....	90
Step 5: Checking for Processing Blocks	90
Step 6: Inviting Parts into the Conference Room	90
Step 7: Engaging the Most Upset Reactive Part	91
Step 8: Classifying the Part of Self that Appears Across the Table	91
Step 9: Collecting Information about the Presumptive Introject	94
Step 10: Switching the Dominance	94
Step 11: Repeating Steps 7-10.....	95
Step 12: Preparing for the Needs Meeting Protocol	96
Other Protocol Issues	97
Target Flexibility	97
Reactive Parts Disappear in the Conference Room	98
Adult Parts Appear in the Conference Room	98
Many Reactive Parts Appear	98
Working with an Overwhelming Number of Introjects	98
Resuming the Conference Room Protocol	99
Starting the Needs Meeting Right Away After a Resumed Conference Room Protocol	99
Attachment Needs Ladder Follow-up Anomalies	100
Complications and Processing Blocks	100
Typical Attachment Needs Ladder & Conference Room Protocol Session	101
Administering the Attachment Needs Ladder.....	101
The Conference Room Protocol	102
Chapter Summary	113
Chapter 5 Notes and References	113
Chapter 6 The Needs Meeting Protocol	114
Overview.....	114
The Needs Meeting Protocol	115
Preparing First Time Clients	115
Step 1: Connecting to Resources.....	116
Step 2: Checking for Processing Blocks	116
Step 3: Inviting the Child Parts into the Healing Circle	116
Step 4: Strengthening the Sense of Safety	118
Step 5: Asking for a Generalization Effect.....	118
Step 6: Explaining the Process	118
Step 7: Meeting Needs	118
Step 8: Processing Painful Emotions	121
Step 9: Bonding With the Resources	124
Step 10: Heightening Awareness of the Adult Body	125
Step 11: Checking In	126
Step 12: Returning to the Wounding Experiences	126
Step 13: Returning to the Care of the Resources	127
Step 14: Repeating Steps 12 & 13	127
Step 15: Shifting Attention Back and Forth	129
Step 16: Checking In	130
Step 17: Strengthening a Positive Belief	130
Step 18: Tucking In the Child Parts	131
Step 19: Counting Up.....	131
Step 20: Checking on the Outcome	132
Other Protocol Issues	132
Orienting Clients to the Needs Meeting Protocol.....	132
Strengthening Positives with Alternating Bilateral Stimulation (ABS).....	132
Dialogue Between Child Parts and the Resources.....	133

Child Parts Report Needs in the Negative.....	133
Processing Other Painful Emotions	133
Painful Emotions Arise Early in Step 7	134
Needing Parents to Meet a Need	134
Child Parts "Need" a Positive Trait	134
If the Resources Had Been Your Parents Then.....	134
Getting the Strongest Positive Belief.....	135
Interruption While Tucking In Child Parts	135
Closing an Unfinished Protocol	135
Resuming an Unfinished Protocol.....	136
Complications and Processing Blocks	136
Typical Needs Meeting Protocol Session	136
DNMS Needs Meeting Protocol: Session Notes.....	149
Chapter Summary	151
Chapter 6 Notes and References	151

Chapter 7 Complications & Blocks..... 152

Overview.....	152
Inviting Clients to Disclose Processing Blocks	153
General Complications.....	154
Eliciting the Concern	155
Classifying the Concern.....	157
Handling Misunderstandings	158
Handling Blocking Introjects	158
Verifying All Blocks Have Been Cleared	161
Two Paths to Resolving Blocks	162
Applying the Adult Body Intervention	162
Complications with the Resources	163
Diagnosing Resource Complications.....	164
Addressing Resource Complications	164
Resource Development Protocol Complications.....	166
Problems Discussing Caregiving Experiences	167
Problems Discussing Specific Items on the Caregiver Skills List.....	168
Problems with the Mental Pictures.....	169
Difficulty Visualizing the Resources	170
Provisional Resources.....	171
Switching the Dominance Protocol Complications	171
Problematic Introject Messages.....	171
If Processing Stalls.....	173
A Reactive Part Answers the Questions	174
Enmeshment Reversal	174
Problems Finding the Child Part Wearing the Mask (In Step 1).....	174
When a Child Part under the Mask is Also Reacting to It (In Step 1)	175
Differentiating Reactive Mimics and Introjects (In Step 2)	176
Problems Contrasting the Child's Good True Nature with the Mask (In Step 3).....	176
The Mask Moves Away or Disappears Prematurely (In Step 6)	177
Fear that Losing Interest in the Mask Means Losing Interest in the Caregiver (Step 10)	178
Attachment Needs Ladder Complications.....	178
Initial Rating Complications.....	178
Follow-up Rating Complications	179
Conference Room Protocol Complications.....	180
Erecting a Glass Wall (In Step 5)	180
No Reactive Parts Enter the Conference Room (In Step 6)	181
Very Fearful Reactive Parts Appear (In Step 6)	181
Confident Parts Appear (In Step 6)	182
No Part Appears Across the Table (In Step 8)	183
Needs Meeting Protocol Complications	184
Fear of Losing a Familiar Sense of Identity.....	184
Unclear Replies Require Further Investigation	184
Aversive Reactions to the Processing	185
Premature Empathy or Forgiveness for Wounding Role Models	185
Wishful Thinking	185
Child Parts are Fixated on the Past	186
An Upset Adult Self Interrupts the Processing.....	186

Problem Making an Initial Connection with the Resources (In Step 1)	187
Needs Meeting Complication (In Step 7)	187
Emotion-Processing Complications (In Step 8)	187
Bonding Complications (In Step 9)	188
End of Protocol Complications (In Step 16)	189
Incomplete Processing	190
Chapter Summary	192
Chapter Notes and References	192
Epilogue	193
After the DNMS	193
After You Finish this Book	193
Appendix A: Glossary.....	195
Appendix B: Additional Background Material.....	197
Section 1: DNMS Journal Article Abstracts	197
Section 2: Maslow Pyramid & Maslow/Erikson Chart.....	198
Section 3: Background Material on Attachment.....	199
Section 4: Background Material on Prenatal Introjection.....	207
Section 5: Popular Ego State Psychotherapies	208
Section 6: Typical Developmental Needs Table	210
Section 7: Typical Misunderstandings That Block Processing and Suggestions for Correcting Them	211
Appendix C: Stabilizing Techniques for Unstable Clients.....	214
Appendix D: Preparing Clients for the DNMS	217
Screening Clients for the DNMS	217
Explaining the DNMS to Clients	217
Taking a History for the DNMS.....	217
The Developmental Needs Meeting Strategy: What It Is and How It Works.....	218
The Needs Meeting Protocol in Pictures.....	226
Appendix E: Therapist Worksheets & Forms	228
Resource Development Protocol Worksheet	229
The Nurturing Adult Self & Protective Adult Self Skills Defined	233
Switching the Dominance Protocol Worksheet	234
The DNMS Attachment Needs Ladder	236
The Conference Room Map.....	240
Conference Room Protocol Worksheet	241
Needs Meeting Protocol Worksheet.....	244
Needs Meeting Protocol: Session Notes	251
Some Typical Misunderstandings That Block Processing.....	253
Overcoming Processing Blocks Flowchart.....	254
Appendix F: DNMS Tools & Home Study Course.....	255
Index	258
